TURN OVER

Art Windows

Hello! We're back!

*Art Windows is a unique event held in
Harborough town centre in September.*

Harborough's independent shops and businesses share their windows with the artists and makers of Harborough Artists Cluster, displaying their art to create a colourful art trail around the town.

This year, 36 shops are taking part, so look at the map and plan your route!

Each display features details of the artist, and their contact details, should you find a piece you love and would like to buy.

Enjoy!

*Turn over the page
and plan your route!*
