A5 work - Advertising (trail) or fundraiser.

A discussion was had on what to do with the A5 pieces, that Stacey has kindly offered to display in Left2Draw in the 10 days leading up to open studios.. 2 votes were held.

Vote 1:
Option 1, each artist, taking part in OS, donates 1No A5 piece (original or card or reproduction) as a prize for someone completing the trail of 9 studios, they pick which one they want and take it home with them after completing the trail. (8 votes)

Option 2, the display is used as an exhibition piece and sold as per the artists request, through Stacey's books. (5 votes)

Option 3, 2 A5 works are submitted by each artist taking part and given a lottery number, people can buy a lottery ticket for £5 (or £10) and are guaranteed a piece (but they can't select a specific one)- money to go as a fundraiser to HAC. (7 votes).

Vote 2:
A second vote was taken between Option 1 and Option 3 as it was so close. Option 1 had the most votes.

To that end can all artists taking part please bring an A5 piece of work (reproduction, card, original - whichever you are happy with) to Stacey's by Friday 2nd May. It needs to be A5 including optional mount / frame and representative of your work
